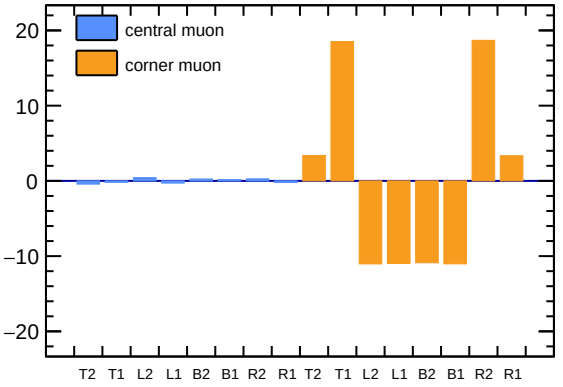
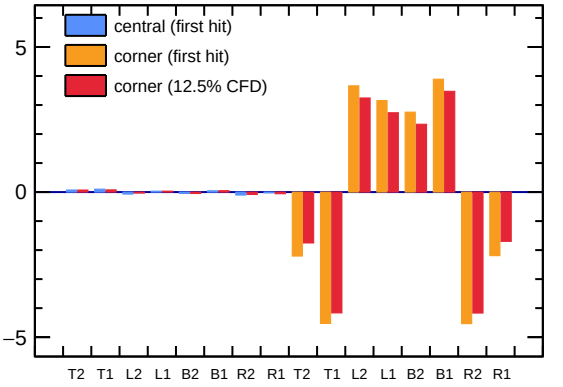
glossy: light share per SiPM (deviation from uniform)



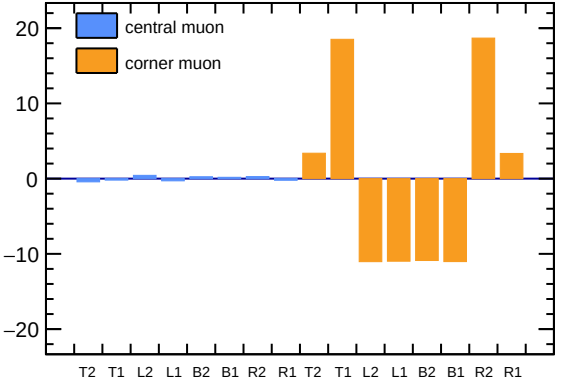
SiPM (left group: central muon, right group: corner muon)

glossy: arrival-time offset (first hit vs 12.5% optical CFD)



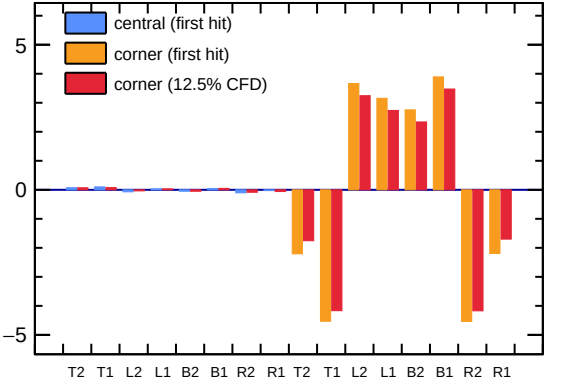
SiPM (left group: central muon, right group: corner muon)

TiO2: light share per SiPM (deviation from uniform)



SiPM (left group: central muon, right group: corner muon)

TiO2: arrival-time offset (first hit vs 12.5% optical CFD)



SiPM (left group: central muon, right group: corner muon)
