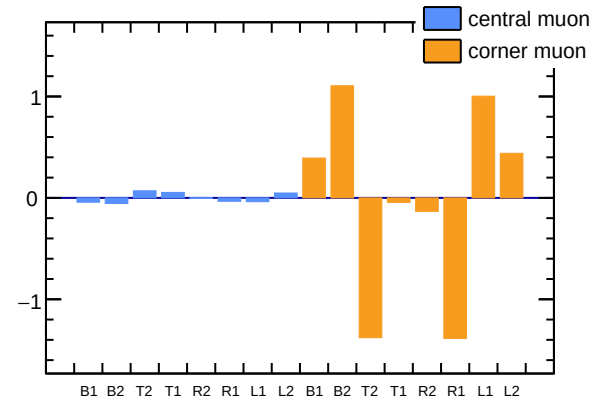
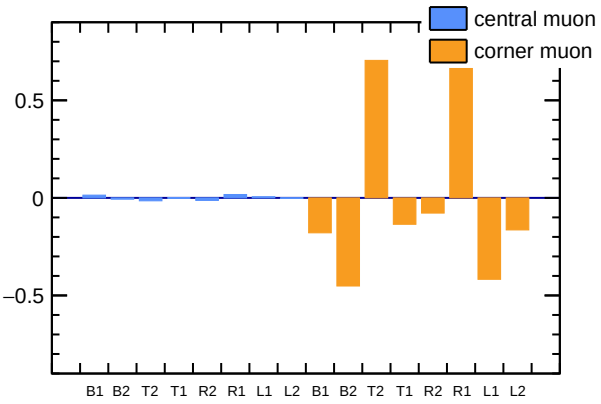
glossy: light share per SiPM (deviation from 1/8)



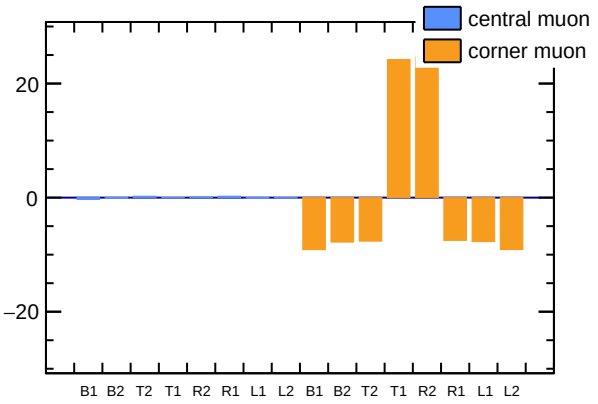
SiPM (left group: central muon, right group: corner muon)

glossy: first-arrival time (relative to the event mean)



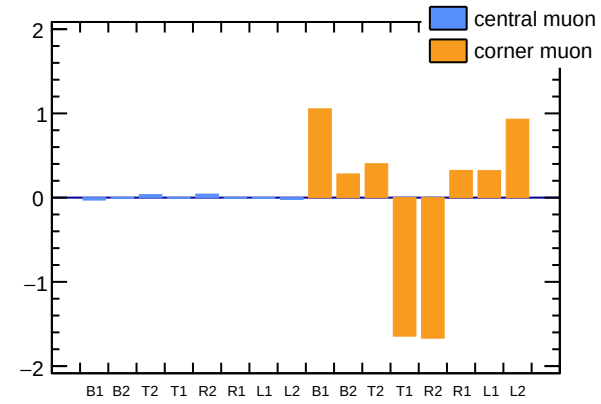
SiPM (left group: central muon, right group: corner muon)

TiO2: light share per SiPM (deviation from 1/8)



SiPM (left group: central muon, right group: corner muon)

TiO2: first-arrival time (relative to the event mean)



SiPM (left group: central muon, right group: corner muon)
